- **Gow C**
- **Freya W**
- **Hiro J**
- **Skyla W**
- **Zoe L**
- **Darcy B**
- **Felix P**

Children attending Helping Hands have been ever so engaged and interacting positively with each other during, Vacation Car which was a huge success, with our excursions to Aussie world and Timezone being the favourites. Plus our wheels day of riding our wheels at school, plus the street science incursion was a blast literally, with the children getting to make launching rockets!

Weather was quite warm over the break, the children had sugar free icy poles to keep cool each day, slip slopping and slapping to be sun-smart was a big focus, as summer is just around the corner. Kryptonite crystals were created and superhero masks and capes to wear
Kids Con day was popular with the children getting to dress up as a video game/superhero character, Angelica from Rugrats was visiting that day!

Cooking experiences were very messy but tasty, with the children getting the opportunity to make some edible slime, it was stickier than chewing gum, but very bright and sweet to eat!
Our make ad take magic illusion box was exciting, with all the children getting the time to create this trick, and then getting to take it home to try on their family!

COMING UP THIS TERM

We will be introducing new clubs at rise and shine, plus stay and play sessions. Mornings will involve yoga sessions to start the day off calmly, cooking club will be a mixture of mornings and afternoons, and of course gardening club is back by demand! These will start in week 3 of the term.

Please don't forget to book in to avoid disappointment.

Upcoming for term 4 - don't forget our annual colour run will occur on week 9 to celebrate the year of 2025!

Lastly I would like to take a moment to welcome some new faces with our staff. Liz has joined us as a permanent educator, she comes with a wealth of knowledge, and has eight years experience with helping hands and will become a part of the furniture like myself.

Karina has now been with Helping Hands at Eumundi State School for over eight years and will continue being the coordinator indefinitely.

Secure your spot at Helping Hands Network this Term!

This Term Helping Hands Network are running another two fantastic programs to keep the kids entertained all term long! Kicking off in October, OSHClub are running

Artventure  on **Wednesdays** from **Oct 29th - Nov 18th**. Every Wednesday will have a brand-new creative theme from Messy Art to Tasty Art and SUPER sized art where children are encouraged to think outside of the box and explore self-expression through creative means!

PLUS! It's time to get in the festive spirit as every day in December, Helping Hands Network will be running **Festive Fun!**  Children can celebrate silly season in style this Term with a daily dose of festive fun through arts, cooking, games and mindful moments. Activities include minute to win it snow shovel races to gratitude garlands and some messy elf slime!

Rest assured that your kids are having a ball with friends at Helping Hands Network where glitter flies, and imaginations soar. A place where screens are off, and kids are switched on! Where you avoid school peak hour, and they get peak play hours.

Enrol to Book Term 4 today at Helping Hands Network, **where play meets potential**.
